Our Recommended Suppliers

Dr Johnson's House is a unique environment in which to hold an event, with wonderfully atmospheric historic interiors and artefacts. As such, there are specific requirements and challenges to working in such an environment and, therefore, we strongly recommend that all clients use one of our regular and recommended suppliers.

Enquiries:

Should you have any queries about booking an event at Dr Johnson's House, please contact us:

info@drjohnsonshouse.org / 020 7353 3745

Should you wish to speak to our suppliers regarding the services they provide, please contact them directly.

Please note:

- Clients are responsible for checking that the caterer they choose meets their standards, as they are responsible for any caterers using the premises.
- If you wish to bring an alternative caterer, not on the list above, we insist they come and visit the museum to discuss specific requirements before giving a final quotation. They may only be used subject to the House's approval.
- Self-catering is not permitted under any circumstances.
